Number of students enrolled: 3.600

Website for incoming exchange students: <https://www.em-strasbourg.com/exchange-programmes>

## Attractiveness of the country and city your university is located in:

After Paris, Strasbourg is the most international university city in France, it's a pleasant place to live in the heart of Europe, home to international and European institutions. A top cycling city in France and a beautiful Capital of Christmas.

## The strengths of academics at your university:

EM Strasbourg is the only French business school that is part of a multidisciplinary research university and also a prestigious Grande École. We have achieved international academic recognition with its AACSB, AMBA and EPAS accreditations. We have been a pioneer in Europe in establishing dual degree programmes and is the founding member of HERMES, an exchange network of 25 universities.

## Available student life support during the exchange:

Every year, EM Strasbourg Business School organizes a number of events for international students, such as the International Student Fair Planet EM, an international football match, the visit of the European Parliament, and even vineyard visits. Moreover, the Asian mid-autumn festival is celebrated every September in honor of our significant Asian student population.

## Opportunity of interaction with other students:

A large number of student associations are active at the School, notably the International Student Association, which plays an active role in welcoming our exchange students and helping them integrate into life on campus.
