Attractiveness of the country and city your university is located in:

The Université du Québec à Montréal's (UQAM) central campus and its Pierre-Dansereau Science Complex are located in the heart of two of central Montreal's liveliest districts: the Quartier Latin [Latin Quarter] and the Quartier des spectacles [Entertainment District]. UQAM is directly accessible from the Berri-UQAM and Place-des-Arts metro stations. Bicycle paths and self-service bike stations also serve all its pavilions.

The strengths of academics at your university:

The Université du Québec à Montréal is a French-language university. UQAM is a dynamic, open, creative university with an international outreach. It is recognized for the originality and quality of its programs, its cutting-edge research, solidly grounded in social concerns, and its innovation in the arts.

Available student life support during the exchange:

Each year, UQAM welcomes more than 3,500 foreign students from 90 countries. It also maintains several centers for international research, including the Montreal Institute of International Studies. Over the years, UQAM has established agreements with over 380 institutions in 63 countries, in addition to the numerous links created through its membership in international university networks.

Opportunity of interaction with other students:

UQAM welcomes students from a wide variety of linguistic and cultural communities. The courses are in French. However, the [École de langues](#) offers several courses and one certificate in French as a second language. The Language School is recognized for its quality programs and high-tech computer equipment.
