## 3 Usage Period for Desks and Lockers

Desks and lockers can be borrowed for the standard period of enrollment at APU (3 years). Usage during a Leave of Absence and withdrawal is not possible. Graduating students are required to empty their desks and lockers by the last working day of August for those graduating in September and the last working day of February for those graduating in March. **Any items left behind after this point will be disposed of.**

## 4 Priority

Desks and lockers will be given out on a “first come, first served” basis. However, priority will be given to doctoral students who are in the last stages of writing their dissertations.

## 5 Personal Belongings / Valuables

Valuable personal belongings should not be left in the common rooms and lockers. The University will not be responsible for lost or stolen personal property.

## 6 Periodical Check

For safety and health reasons, University staff may check the content of lockers and/or desks periodically.

## 7 Cleaning and Maintenance

Graduate School facilities may be closed for maintenance and/or cleaning periodically. Students will be notified of these dates in advance.
