

Thank you to all reviewers of *Asia Pacific World* for 2010

The Editors wish to extend their deep gratitude to all our reviewers who gave their time, knowledge and expertise to peer reviewing manuscripts for *Asia Pacific World* in 2010, our first year of publication. We thank our reviewers for their important scholarly contributions to our journal, their helpful feedback to authors, their valuable mentorship of young authors, and their role in helping to establish *Asia Pacific World* and improve its quality.
