Absence from Class

Students must attend at least 75% of classes (including lessons, tests and other examinations) to pass the course. Students who do not meet this attendance requirement will automatically receive a fail (F) grade. Absences will only be excused in the following cases:

Responsibility of absent students:

Students who are absent from class must contact classmates or their teacher to find out about work done or assigned during their absence.

Students must follow test rules very carefully. If test rules are broken during a test, students will automatically receive a grade of zero for that test and may fail the entire course. Students are also advised to read the APU Undergraduate Academic Handbook carefully, especially Section 4.1.1, which explains the consequences of cheating on examinations.
