Accommodation

AUBG is a residential institution and students live on campus in the *Skaptopara Residence Halls*.

Other facilities

Internet access in private rooms and common areas, *library, advising center, sport facilities, canteen and cafes, health center, counseling services, bookstore* etc.

Health insurance

The AUBG Health Center provides free service to all students, but insurance is needed to cover the costs elsewhere. All non-EU students have to sign up for the AUBG health insurance plan(\$50 deducted from the student account) which covers medical needs due to acute and chronic illnesses, emergency dental care and repatriation.

Visa requirements

Upon acceptance, the AUBG International Students Office will provide all details needed.

Visa process for U.S. students.

Visa process for non-EU students.
