The enrollment link will be shared with students in due time by the IM Office. **Please be advised that enrollment can only be done through the platform and during the periods indicated.*

Students must enter the platform with a wide list of pre-selected/pre-approved courses from their home Universities, so if any of their desired courses are unavailable (no seats/schedule conflict) they already have a valid alternative.
- **Enrollment policy:** Students will have to focus their course selection (**60% of their ECTS**) on courses from the **IEU Bachelor Program they were nominated to**, with the possibility to select the remaining **40% of the ECTS from other study areas** offered at the campus the student was admitted to (as long as they avoid overlaps and comply with the prerequisites).

- **Attendance & Absences Policy:** All students are expected to **attend 100% of the sessions live in person**. IE provides a 20% buffer to address some circumstances (personal issues, illnesses, visa problems, etc.). Schedule overlap higher than 20% is consequently not allowed. If students reach the 20% limit, they must justify these absences with their academic offices. Failure to do so will translate into a failed class.
- **Maximum ECTS credits per semester:** **30 ECTS + 3 Spanish language ECTS = 33 ECTS in total!** Students may take less than 30 ECTS if allowed by their Home University, as minimum enrollment credits are set by home institutions.
- **1 ECTS credit = 25 hours of work** including classes and related academic activities.
