

How to take the Japanese Placement Test

To determine the level of the Japanese language course at which you will start, you are required to take a placement test.

Please follow the steps below to take the placement test on **September 5th ~ 7th and 20th**. (Japan Standard Time).

1. Test Schedule and How to Take it

(1) Online Placement Test

Monday, September 5th, 9:00am ~ Wednesday, September 7th, 5:00pm JST (Japan Standard Time)

【Notes.】

- The duration of the test will vary depending on your level of Japanese. Please expect that it will take about one hour at the most.
- You can take this test at any time during the above period, but you can only take it once, and cannot pause or restart once you have begun the test.

(2) Interview (face-to-face) *Target person only

Tuesday, September 20th, 10:30am~4:30pm JST (Japan Standard Time)

【Notes.】

- **The interview test is conducted face-to-face on the APU campus**
- Whether or not you need to take the interview test is determined by the results of the web test in (1) above. Only students who need to take the test will be contacted by email
- The interview takes about 10 -15 minutes. The interview time will be notified by email after
