|  | Language Policy:   |
|  | APU students may find other Japanese students along with other             |
|  | non-native speakers in their English class at the overseas university.     |
|  | When faced with this situation, APU students should make their best        |
|  | effort to use English to communicate with their classmates, in order to    |
|  | speed up their language learning. Needless to say, students should use     |
|  | English as much as possible outside of class time to complete daily tasks  |
|  | and learn about the local people and culture.                              |
