Eligibility Reviews

Students awarded scholarship programs prior to enrollment undergo an eligibility review every semester based on their academic performance. Poor academic performance may result in the cancellation of a scholarship. Therefore, all scholarship recipients are encouraged to study hard to show high academic achievements after enrollment.

*Eligibility Check for Continuation of APU Scholarships

1. Every semester a recipient is enrolled, an assessment will be made to determine his/her eligibility for the scholarship based on their academic records. Based on that assessment, the recipient may be given a warning, or lose his/her scholarship eligibility.
2. The assessment standard is outlined below. Students who receive two consecutive "Warnings" will have their scholarship revoked for that semester. Once scholarships are revoked, they cannot be reinstated.

*A warning will be issued to students with credits outlined as follows.

	Number of completed credits		
	GSAM(APS/ICP)	GSM(MBA)	GSAD
On completion of 1 st semester	6 credits or less	10 credits or less	2 credits or less
On completion of 2 nd semester	14 credits or less	20 credits or less	8 credits or less
On completion of 3 rd semester	22 credits or less	32 credits or less	12 credits or less
On completion of 4 th semester	-	-	18 credits or less
On completion of 5 th semester			20 credits or less

Other Important Notes

1. Recipients of the above scholarships must have obtained a college student visa at the time of enrollment to APU. The above mentioned scholarship will be cancelled if a college student visa is not acquired within one month after enrollment.
2. Students in the Accelerated Completion Program for 1 or 1.5 years (Master's) or (Doctoral) will be required to pay the total tuition amount before program completion.

Students will be awarded the same Tuition Reduction Scholarship for their period of study, regardless of whether they study in the standard or accelerated completion program. However please note, that scholarships will only last as long as the standard program length; students will no longer be eligible if enrolled longer than the standard period (2 years and 3 years, respectively).
