# Information & System Guidance

**2023**, Spring

#### About us

#### We are ALRCS!

ALRCS is a student organization that provides learning support for students!

If you have any questions about Microsoft, VPN, or anything else, just come to the library, Library Booth From 2<sup>nd</sup> to 5<sup>th</sup> period, weekday!!

#### facebook

#### Instagram

#### Contents

- 1. Begin with
- 2. wi-fi
- 3. Campus terminal
- 4. Moodle
- 5. Microsoft365
- 6. Campusmate

- 7. Data base VPN
- 8. Facility reservation
- 9. zoom
- 10. About MMR
- **11.Q&A**

#### To begin with

## What we need is an APU Account

#### To begin with

System that use an ID e.g.ue22k1hd	System that use an email e.g.ue22k1hd@apu.ac.jp
□ Campus Terminal	☐ Microsoft 365
□ Campusmate	□ Moodle
university's PC desktop	□ zoom
□ Facility reservation	
□ Wi-Fi	
□ VPN	Microsoft 365

#### To begin with

#### **Change Password**

- The initial password is temporary and should be changed.
- Can be changed from Campus Terminal

#### Don't Share the account

• If you share your password, it will be considered as unauthorized access and you might be suspended.

#### Multi Factor Authentication

- Setup is required
- Prevents unauthorized login
- Can be set via smartphone app or SMS

**Microsoft Authenticator** 

**MFA Manual** 

#### wi-fi

- For daily uses, use APU-1Xauth
- When you can't connect to APU-1Xauth,
  - use APU-Webauth
- Do not use eduroam

eduroam is a system that allows you to use Wi-Fi with your APU account when you visit other universities/research institutes

#### Campus terminal

#### Information from university

Information Such as TA, syllabus, study abroad program and more

#### Course message

class room change, cancelled lecture.

#### Important information

· Scholarships, etc.

Note: access will be unavailable from 3:00 a.m. to 5:00 a.m. due to system maintenance.

#### Moodle

- sharing lecture materials
- Submitting assignments
- Taking exams
- Attendance Record
- ☐ Some lectures used to submit assignments

#### Microsoft 365

#### Word

Writing Essay, report and theory

#### Outlook

Contact with office

#### **Power Point**

Making Presentation Slide

#### One Drive

Save the Data

#### Excel

Calculation, Data analysis and making graphs

#### Campus mate

#### Database & VPN

Some databases cannot be accessed from outside the APU

That's where <u>VPN</u> comes into demand.

#### Database & VPN

#### 基盤支援

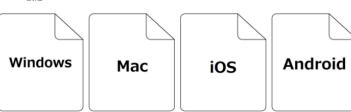

#### VPN

学外ネットワークからAPUのオンラインデータベースを利用する際にはVPNの設定が必要です。こちらは教育研究のためのサービスであり、それ以外の目的での誤用または悪用が発覚された場合は、懲戒の対象になります。

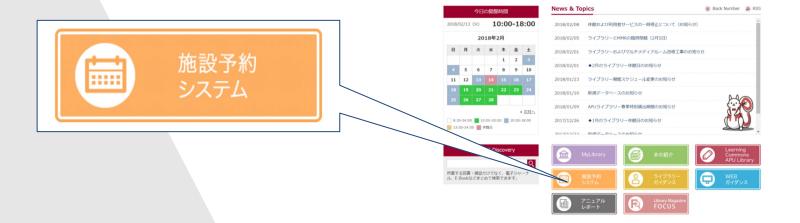

#### **✓** VPN設定マニュアル

#### Facility reservation

Academic

#### Zoom

#### Use APU account

Can not join lecture using own zoom Account
 →You need to make account through SSO

#### Need Zoom ID to take Lecture

Get ID from Timetable

#### Recommend to install Apps
